

# POTTER'S PLACE

## 2612 Erie Ave., Sheboygan

### What is it?

\*\* A temporary housing option for families in the Sheboygan Area School District (SASD) who find themselves without a place to live

\*\* A house with four apartments, which will provide shelter to children in the SASD for several months

### Why support it?

\*\* There are approximately **100** students in the SASD who are technically listed as “homeless” at any given time

\*\* Kids need food, clothing, and shelter to be successful in school, and our community should be a place where ALL children can thrive

\*\* By providing funding to defray operational costs, Potter's Place will be able to accomplish its goal of increasing the number of housing opportunities for at risk children and their parent(s)
