Hello from Team Jungle!

JUNGLE FESTIVAL

Our Jungle Festival was a huge success! So many people attended and everyone had a great time. Several stayed to watch The Chosen episode and everyone received a gift bag filled with goodies and a Gospel of Mark. We heard so many wonderful comments from our guests and the children had so much fun that a few cried when they had to leave! Thank you for praying, God really blessed this event!

Please continue to pray for this community. There is a real hardness here, yet a deep need for love, acceptance and peace.

Story Time & Time for Tea (fka Senior Social)

Our regular programs continue to be well attended. Our friend Andy used his performing equipment to create a 'kiddie disco' for story time. After we read stories we bring out toys, turn on the colored lights, nursery rhyme songs and the bubble machine! Its a huge hit. To everyone's delight, I also turned it on briefly during Time for Tea. Even adults love bubbles!

One of our little ones who has been with us from the beginning has 'graduated' and is now going to preschool full time. Her mom brought gifts and we had a little celebration. We'll miss our little firecracker!

We received this review on Google last week. Such a blessing to be a part of what God is doing in this community!

Such a beautiful, warm and welcoming space. Staff are fantastic. My little one loves coming here for the storytelling sessions and so do I! A real asset to the community,

Special Prayer Request:

From the beginning, our heart has been to launch a course for women who have come out of abusive or trafficked backgrounds, have gained a measure of healing and are ready to grow. Our goal is to develop a course that will help them learn their value, boundaries, healthy relationships, discover their gifts and learn various forms of self care. Lola has given me the lead on developing this, in partnership with a professional counselor, so please pray for God's guidance and direction as I step out in this way.

One more update: I PASSED my driving test!!! Oh the freedom!!! Thank you for your prayers!

To keep up with what's going on at the Jungle, follow us on Facebook!

Thank you so much for your prayers, financial partnership and your love. It is such a joy and privilege to be serving here and I'm so grateful to have you on this journey with me!
