**Morning Prayer**

*As we rise, we have so much to do! We work without realizing that all we do can be a song of love to you and to the ones with whom you have surrounded us. Lead me, O God, so that everything that I do in my life can be done in praise to you. Amen.*

**Evening Prayer**

*As this day ends, I hope I have done my work with a gentleness born out of your wisdom. Thank you, triune God, for the rest that you will provide and for the strength for a new morning. Amen.*
